

SECTION 8 GARDA SÍOCHÁNA ACT 2005

General Direction No. 3B

The Director of Public Prosecutions, pursuant to powers conferred on her by Section 8 (4) of the Garda Síochána Act 2005, hereby gives the following direction concerning the institution and conduct of prosecutions by the Garda Síochána.

The Director elects summary disposal without the submission of a Garda file in relation to an offence under section 69(3) of the Civil Registration Act 2004, as amended.

The Garda having carriage of the case should consider forwarding a file to the Director of Public Prosecutions in any case where, although the offence or offences are captured by the above general consent, the multiplicity of the charges or the previous record of the accused or other aggravating circumstances suggest that summary disposal would be inappropriate or that a 12 months sentence (or in the case of more than one offence a 24 month sentence) would be inadequate.
